

Ukraine Echo • proposal for temporary artwork installation

**Market Square,
Lviv, Ukraine**

March 5, 2022

Amphitrite fountain

Sea-goddess water sculpture
within a World Heritage site.

***Statue wrapped by residents
with plastic and fire proof
materials to protect from
bombs and war damage.***

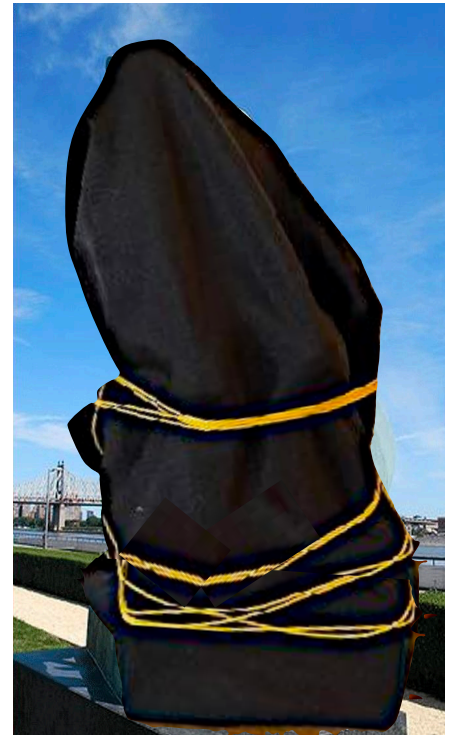

**UN Plaza, New York
North Garden**

Let Us Beat Swords Into Ploughshares

Artwork symbolizes desire
to put an end to war and
convert the means of
destruction into creative
tools for the benefit of all.

PROPOSED

***Statue protectively
wrapped to echo and
honor Ukrainian peoples
resistance and
acknowledge all the
innocent communities that
have been affected by the
war.***

Evgeniy Vuchetich, 1958
honorary USSR Peoples Artist
